Teddy is lovely in all ways and taught me everything with a kind personality. He has three flashy paces. A pleasure to own in every way, I have enjoyed hacking out on the Otterburn ranges, Percy Pony Club camps and rallies. Competed at BD Prelim level this year and have 6 points above 62%, ODE Eventer Darby series at Warwick Hall with him in 2017 and he was placed every time. Teddy hacks out in company very well with a confident rider. 2018 qualified for PC Regional Grassroots Dressage area festival where he was placed second, followed by Regionals where he placed ninth. He has show jumped with the Percy Pony club team at the Border Union show. He has been to pony camp twice where he has jumped clear rounds of 1 meter this year.

He is very good to shoe, clip, load and travel.

Teddy would suit a competitive teenager or a young rider wanting to event and compete in all Pony Club activities. We have concentrated on dressage in 2018.
