

## Davrob Little Annie (Asti)

Asti is a 14hh Purebred 15 year old Grey Connemara Mare.

Daughter is off to uni and we are looking for a good home for this remarkable jumping pony. During the six years she has been with us she took my daughter safely through SJ 50 cm to 95 cm, competing at PC Grassroots Regional Champs (2017/18) with a Team 3<sup>rd</sup> place in SJ; placing 2<sup>nd</sup> in Grassroots Area Eventing (2017) and she competed at Novice level in Area Dressage, SJ and Eventing (2018) as well as qualifying for the NSEA SJ Champs in Oct 2018 with a Team 3<sup>rd</sup> in SJ (95 cm) at Floors Castle.

Asti is a forward going pony who loves to be in work and excels at jumping. She has hunted occasionally and is keen and unfazed across country. She can be strong when she gets excited, but she knows her job and isn't silly. She hacks out alone or in company. She has showed successfully with her first owner and with further work could do well at dressage.

She is good to catch and do and is fine with the vet and farrier. She stands easily to be clipped, washed, plaited and enjoys PC Camp. She can live out year round but is equally happy to be stabled.

We hope that Asti can find a new home with a confident rider (she is not a first pony) who is keen to compete her.

Please feel free to call Anne on 07555593906 or 01670772309 for more information.

£3,000 (Tack also available to include a bespoke Native Breed Saddle.)
