

# STRANGLES PROTOCOL

## Benridge Riding Centre

Please **DO NOT** visit our centre if your horse is unwell or has had a confirmed case of strangles.

Absolutely **NO** hand grazing.

Please keep your horse in your box/trailer at all times, unless when tacking up. **NO** tying up of horses to trailers otherwise.

**NO** access to the livery yard or paddocks. Please respect we have liveries here.

**DO NOT** touch or stroke any other horses and keep your distance to minimise all contact. We need to prevent the spread of strangles.

**NO** hanging around. We ask if you can leave as soon as you are finished.
