## Care of the Horse's Foot

### Questions

1. Use playdough to make a print of the horse's foot, and name 8 parts of the foot.

2. Show where you would find thrush, seedy toe, corns, and laminitis (draw lines to the part).

3. Name the bones in the foot (draw lines to the part).

4. Put in order the items in the box, to put a poultice on the foot.

<b>Bandage</b>	<b>Hot water</b>
<b>Poultice material</b>	<b>plastic bag</b>
<b>Gamgee/padding</b>	<b>flat plate.</b>
